*FOR - Fee on Request: BMT College does not sell textbooks or post items. Study guides are freely available on the Virtual Campus. The College can, on request, obtain prescribed textbooks and/or courier documents or books to students. However, the College will first obtain a quote from a relevant and supplier and provide the student with the quote. Once the student has deposited the full amount for the textbooks and/or courier services, then the College will purchase the textbooks. The student can then either collect the textbooks from the College, or have it couriered.

**Recognition of Prior Learning (RPL) application and assessment: The application and assessment fee for RPL must be paid upon application. If RPL is approved, the amount paid will be credited towards the study fees. NOTE: An RPL application does not guarantee RPL approval.
